

INVITATION

Dear Students,

The Faculty of Economic Science of Kaposvár University is pleased to launch its **International Summer School on “Sustainable Economic Growth”** between **26.04-09.05.2019.!**

Summer School is a two week long academic program designed to bring together undergraduate and graduate students of various nationalities and academic backgrounds in a unique academic and cultural environment in a highly interactive way.

The proposed topics of the program:

- Alternative economics
- Rural sustainability
- Excellence in leadership and management
- Food marketing
- Sustainable tourism
- Food waste
- Sustainability and Smart Cities
- Visualization
- Biogas and sustainable models
- Innovation ecosystems
- Local Economic Development
- Waste management living lab

Information for students:

We also invite international students for the program.

Students may join various research groups, prepare for their own paper and presentation, while obtaining your ECTS for the courses.

The course is **free of charge for the first 40 applicants** and it includes the food and accommodation as well.

Further you may apply satellite programs at a rate of fair cost.

The application for students will be open from 22th March 2019 at iss.ke.hu.

We accept your application only via the online application form!

Should you have any questions, please do not hesitate to contact us.

With best regards,

Ádám Csuvár

responsible for program organization
