This conference is organised by students of the Centre for European Studies (CES) at Jagiellonian University in Kraków under the honorary patronage of Prof. dr hab. Zdzisław Mach and in cooperation with the journal *New Eastern Europe*. In light of the approaching Vilnius Eastern Partnership Summit in November 2013, the theme of our inaugural conference is a timely topic of discussion. We welcome all of our participants to engage with experts in the field and thereby "challenge Eastern limits."
